## EXPERIENCE

### Web Developer Inter at Skygoal March 2023 - June 2023

Worked as a Front-end developer for 3 months. Mainly used **React, Tailwindcss, Bootstrap** for development. Learned about **Real World Work Experience, Discipline, Advance React, Communication Skills** etc. It was a remote internship. My coworkers and seniors were super nice, I learned a lot from them.

### Intershala Student Partner December 2022 - February 2023

It was a remote internship. My main work was to promoting courses through social media. I learned about **Social Media Marketing** and **Sales**.
